

## Quick guide

### MFA registration

1

#### MFA login

Log on with your Windows username and password at the following address:

<https://mfa.migros.net/>

2

#### Select method

Select a suitable notification method.

You can choose between the mobile app, SMS or a phone call.

3

#### Download app

If you choose "mobile app," install the Microsoft Authenticator app on your smartphone (iOS or Android).

Alternatively, you can also use the Google Authenticator app.

4

#### Confirm message

Confirm the identification message using your chosen method.

- Mobile app: Authorization in the app
- SMS: Enter the code sent in the message
- Phone: Accept the call

5

#### Security questions

Answer four of the security questions from the provided list.

6

#### Confirm message

You have successfully registered for MFA.

#### Contact

Questions can be addressed to the MGB service desk at [ServiceDesk@mgb.ch](mailto:ServiceDesk@mgb.ch)
